

2014 Indicative Timetable for Seed List Distribution

This timetable is intended to give an idea of when Lily Group members might expect to receive the 2014 Seed List. Donors can help greatly by sending seed well before the 1st December 2013 deadline.

Donors will continue to receive the Seed List significantly earlier than non-donors.

In 2014 there will be major changes in distributing the Seed List. **Firstly, all donors will receive the PDF version of the List unless they request a paper copy. Secondly, non-donors will no longer need to request a copy of the Seed List unless they would like a paper copy.** The PDF version will be emailed to them automatically. If any UK non-donor would like a paper copy, he or she will need to send a 1st Class stamp to me at the address given below.

Please treat these guidelines as targets.

Approximately 21st January

PDF List emailed to all donors

Approximately 6 February

PDF List emailed to all non-donors

Please email me to confirm receipt of the Seed List.

If you have not received your Seed List a week or more after these guideline dates, please email me **as soon as possible** at:
